

K-LOVE radio may be affected by the proposed expansion of the Low Power FM service. K-LOVE radio is very important to my family as it is the only Christian radio alternative in our area. I don't have to worry about what my daughter will hear when she is listening to it. If it were to be displaced by an LPFM broadcaster, our community would be without a Christian station. The service provided by K-LOVE is important to the public interest in that it gives an alternative to the commercial radio stations that are more interested in ratings than content. I urge you not to take any action which would jeopardize our ability to listen to the K-LOVE station.

Thank you.
